SUMMARY

Seeking employment in a full stack web development role.

Erica is a detail oriented, adaptive individual with a passion for continued growth and education. Highly skilled in project planning and execution. Thrives in a collaborative environment. Very trainable and grasps new concepts quickly.

PROJECT SPOTLIGHTS

RAPID RECIPES [LINK](#)

Worked with a team to create a recipe search engine. The application allows the user to search food and drink recipes with an ingredient as the keyword. Utilized GitHub, HTML, CSS, JavaScript, Materialize, Server Side APIs, jQuery

WEATHER DASHBOARD [LINK](#)

Utilized JavaScript, HTML, CSS, Bootstrap, and Openweathermap One Call API, to retrieve current weather data and 5 day forecast for a searched city. Maintains a search history and has clean UI.

PASSWORD GENERATOR [LINK](#)

Generates password of specified length and character types. Utilized JavaScript to make use of built in browser prompts and alerts.

PROFESSIONAL EXPERIENCE

ANDERSON BRULÉ ARCHITECTS, INC.

Architectural Designer Apr. 2020 - Sep. 2021

Junior Designer Aug. 2018 - Apr. 2020

Worked closely and collaboratively with project managers, interior designers, clients and consultants to produce technically accurate and complete architectural drawing sets. Assisted with construction documentation production and approval. Focused mainly on educational and community markets.

EDUCATION
